Florida Bright Futures Scholarship, Full undergraduate tuition, August 2006-May 2010

Dean's List, 2004-2008

### EXTRACURRICULAR ACTIVITIES

---

#### University of Central Florida College of Medicine (UCF COM)

UCF COM MD Program Student Council, *Secretary* (May 2011-2012)

- Organized orientation activities, created a student website template, maintained a class Google calendar of events, and revised the MD Program Student Council constitution to consolidate the structure of each class council and the Executive Council

Internal Medicine Interest Group, *Member* (January 2011-present)

Pediatric Interest Group, *Treasurer* (May 2012-2013); *Member* (2011-Present)

- Student group focused on providing opportunities for students to learn about a career in pediatrics, as well as hosting volunteer events to serve children in Central Florida
- As Treasurer, responsible for overseeing fundraising and expenditures for this interest group

Curriculum Committee, *M1/M2 Subcommittee Alternate* (November 2010-April 2011)

- Committee of faculty and administration with elected student representation focused on the development and enhancement of the first and second year curriculum

- Surveyed M2 students for input regarding the curriculum and prepared student reports to be presented at monthly meetings
- Met with faculty and administrators on an individual basis to address smaller concerns that did not require presentation to the committee

**MedPACT, international health outreach group, *Founding Member*** (October 2009-present)

- Created a public health issue simulation exercise for MedPACT's first annual statewide Global Health Conference (Innovations in Sustainability) in November 2011
- December 2010 – traveled to San Francisco de Macoris, DR for medical mission trip; worked as part of an interdisciplinary team with the local medical school
- Provided medical care to those in need at six different clinic sites across the DR

---

**COMMUNITY SERVICE ACTIVITIES**

**University of Central Florida College of Medicine (UCF COM)**

**Tour de Cure, *Volunteer***, March 2011

- Educated diabetic patients on how to monitor and actively prevent disease progression using iPad and iPod touch applications that track diet and exercise patterns

**KNIGHTS Clinic Orlando, FL, *Volunteer*** (October 2012-December 2013)

- Student-run free clinic that serves the Central Florida
- As a volunteer, collaborated with physicians to gather patient histories, perform a physical exam, and develop a treatment plan

---

**TEACHING EXPERIENCE**

**Peer Academic Coach, UCF COM, October 2012-present**

- Invited, on the basis of excellent academic performance, to serve as a peer tutor to other medical students
- Provided individual, small, and large group tutoring in biochemistry, anatomy, and histology

---

**PROFESSIONAL EXPERIENCE**

**United Cerebral Palsy of Central Pennsylvania**

***Service Coordinator and Community Integration Specialist*** (June 2008-June 2009)

- Served as a liaison between individuals with physical disabilities and the Pennsylvania Department of Public Welfare, securing funding for in-home care and home modifications to allow individuals to remain in their own homes, instead of being admitted to a nursing home
- Visited individuals in their homes on a weekly basis to assist them in organizing medications, finances and attended doctor's appointments to ensure that individuals were receiving adequate care

## RESEARCH EXPERIENCE

---

### **Routine Usage of SIEV Bypass in Microsurgical Breast Reconstruction Surgery**

*Sub-Investigator* (November 2011-present)

- Retrospective chart review of deep inferior epigastric vein flap procedures for breast reconstruction at M.D. Anderson Cancer Center in Orlando, FL; Advisor: Kenneth Lee, MD
- Monitored rate of complication as compared to the accepted rate when superior inferior epigastric vein bypass is performed routinely, rather than as a salvage technique for venous congestion

### **Hormonal Contraception, Condom Use and Abnormal Cervical Cytology in College Women,**

*Principal Investigator* (October 2011-present)

- Cross-sectional survey of college-aged women at UCF Health Services. Advisor: Lori Boardman, MD
- Evaluated the relationship between condom and hormonal contraceptive use and abnormal cervical cytology on Pap smear

### **Vision care practices and diabetes management in patients with diabetic retinopathy**

*Principal Investigator* (September 2009-April 2011)

- Conducted in conjunction with Lighthouse Central Florida, a non-profit organization that provides vision rehabilitation services to central Floridians; Advisor: Kim Pawling, PhD
- Investigated the role of vision loss in patients with diabetic retinopathy with respect to the management of Diabetes
